Bladder Prostate Kidney/Renal Leukemia Non-Hodgkins

Estimated Number of New Cases 2016

1. Estimates are offered as a rough guide and should be interpreted with caution. They are calculated according to the distribution of estimated new cancer cases by national and state for the year 2016. These figures were obtained from the 2016 Cancer Facts and Figures, published by the American Cancer Society. Excludes basal and squamous cell skin cancers and in-situ carcinoma (except urinary bladder).
2. Florida Hospital Waterman Cancer Institute figures were obtained from the total number of accessioned (analytic) cases at FHWCI during 2015.
