## Primary Care

In an increasingly complex medical world, having one doctor who knows your health history, and you, is highly important. That's why your primary doctor should be your first point of contact for routine illnesses and checkups..

### COMMON SERVICES AND TREATMENTS:

- Routine checkups and health screenings
- Preventative care
- Chronic disease management
- Immunizations
- Acute illnesses, such as sore throat, earaches, cold and flu.

## Virtual Urgent Care

Need health care for a minor illness but prefer not to leave home or work? The AdventHealth app provides access to care for a variety of minor ailments. Patients receive a face-to-face visit via a smartphone, tablet or desktop with a board certified doctor or nurse practitioner. Care is available seven days a week.

### COMMON TREATMENTS PROVIDED:

- Cough, cold, bronchitis and flu
- Lower back pain
- Pink eye
- Seasonal allergies
- Sinus and upper respiratory infections
- Skin conditions
- Urinary tract infections

Available 24/7

**Download the AdventHealth app to a mobile phone or tablet via the App Store or Google Play.**
